RENEWED PETITION UNDER 37 CFR 1.181

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

On January 23, 2006, representative for applicant received the attached DECISION ON PETITION TO WITHDRAW THE HOLDING OF ABANDONMENT mailed January 13, 2006. The Decision has indicated that applicant's original petition to withdraw the holding of abandonment has been **DISMISSED** for not providing all

“showings” required to establish non-receipt of an Office communication; specifically, “A copy of the docket record where the non-received Office communication would have been entered had it been received and docketed must be attached to and referenced in practitioner’s statement.”

Special Program Examiner’s representative further stipulates that “A complete docket record with a copy of the list of all responses in the practitioner’s office with the **due date at and around January 14, 2005 is required**”.

Applicant’s representative would like to clarify that the original notice of abandonment for this application indicated that the applicant’s application was abandoned for failure to timely file a proper reply to the Office letter mailed on **13 October 2004**; therefore, any response due within a shortened statutory period would be January **13**, 2005. Counsel acknowledges that the change in date most likely was a clerical error; however, we will provide the necessary information to show all responses in our office with a due date of January 13, and 14, 2005.

To satisfy the required showing, please find enclosed;

- (a) a computerized docket search of practitioner’s patent database for all incoming activity for October 13 and 14, 2004;
- (b) all required responses for January 13 and 14, 2005;
- (c) a computerized summary that highlights all PTO required responses due to the PTO on January 13 and 14, 2005;
- (d) a copy of practitioner’s patent database action codes, and;
- (e) a copy of applicant’s original petition to withdraw the holding of abandonment filed May 26, 2005.

We direct Examiner’s kind attention to the clear lack of presence of any item which identifies this pending application, United States Serial No. 09/543,243.

Based on the foregoing, it is respectfully requested that the holding of abandonment be withdrawn.

It is believed that no fee is due with this submission. If a fee is due, the Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment, to Deposit Account No. 50-0383 of The DIRECTV Group, Inc. (formally Hughes Electronics Corporation), El Segundo, California.

If there are any questions, applicant's attorney can be reached at (310) 964-4615, or by facsimile (310) 964-0941.

Respectfully submitted,

Georgann S. Grunebach

Application No. 09/542,243	:	TO WITHDRAW THE
Filed: April 03, 2000	:	HOLDING OF ABANDONMENT
For: SATELLITE READY BUILDING AND	:	
METHOD FOR FORMING THE SAME	:	

This is a decision on applicant's petition to withdraw the holding of abandonment, filed in the United States Patent and Trademark Office (USPTO), on May 26, 2005.

The petition is **DISMISSED.**

A review of the file record reveals that the application became abandoned for failure to respond to the Office action mailed to applicant on October 14, 2004. A Notice of Abandonment was mailed on May 16, 2005.

There is a strong presumption that Office communications properly addressed and delivered to the United States Postal Services, are in fact delivered to the addressee. An allegation that the Office communication was not received must be overcome by a showing that it was not received.

The showing required to establish non-receipt of an Office communication must include all of the following requirements:

- (1) A statement from the practitioner stating the Office communication was not received by the practitioner;
- (2) A statement attesting to the fact that a search of the file jacket and docket records indicates that the Office communication was not received; and
- (3) A copy of the docket record where the non-received Office communication would have been entered had it been received and docketed must be attached to and referenced in practitioner's statement.

The docket records indicated above must include **a copy of the list of all responses in the practitioner's office with the due date at and around January 14, 2005.** See Notice entitled "Withdrawing the Holding of Abandonment When Office Actions Are Not Received," 1156 OG 53 (November 16, 1993).

Applicant's petition indicates that after careful review of the file and docket records the October 14, 2004 Office action was never received. In support thereof applicant has provided a copy of "the docket record". The evidence provided is not considered a docket record but rather a log of incoming U.S.P.T.O. mail.

The petitioner has failed to comply with requirement (3) indicated above. Applicant has only set forth that the Office action mailed October 14, 2004 was not received or placed in the file for application 09/542,243. A complete docket record with a copy of the list of all responses in the practitioner's office with the due date at and around January 14, 2005 is required.

Petitioner's evidence of non-receipt of the Office action mailed October 14, 2004 is insufficient to withdraw the holding of abandonment, and the petition is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within **TWO (2) MONTHS** from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition Under 37 CFR 1.181."

Correspondence with respect to a Petition to Withdraw the Holding of Abandonment under *Delgar Inc. v. Schuyler* should be mailed to the Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.

PER ATTORNEY ON 3/14/2003: There was some confusion about this action since the Examiner had checked "Final Office Action" in the Summary but did not include any of the usual verbage that is found in a Final Office Action. I called the Examiner for clarification and he confirmed that it was a Final Office Action. Please change the notation in the database accordingly. Thanks.
